

# VENT FREE BUILDERS BOX™ BUILT-IN ELECTRIC FIREPLACES

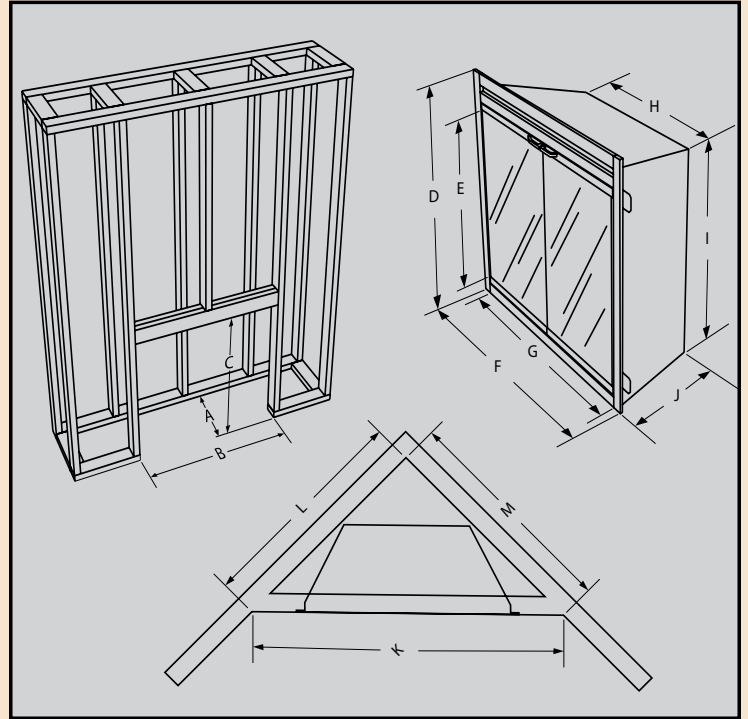

**TOMORROW'S FIREPLACE TODAY**

# QUICK & EASY INSTALLATION LESS TIME, MANPOWER & COST

- Can be plugged directly into a standard 120V 3-prong outlet (cord not included) or hard-wired into a home's electrical system and used with an external thermostat (not included).\*
  - Included integrated junction box with punch-outs for hard-wired installation
  - Schematics and wiring instructions are hidden behind side brick detail
  - Includes extra-large mounting hardware
  - A zero-clearance design allows flush mounting to drywall, tile or installation into a finished wall cavity
  - Total surround flange facilitates installation before or after drywall, in any room above or below grade, interior or exterior walls, and corners
- \* Installation recommended by a qualified electrician

# EASY-ACCESS™ SERVICEABILITY

Only ClassicFlame Builders Box Built-In Electric Fireplaces have the patent pending EASY-ACCESS™ front serviceability feature.

The top EASY-ACCESS™ panel simply unlocks and flips down to expose all parts for complete front visibility - when service is complete, it locks back into place.

The EASY-ACCESS™ feature makes ClassicFlame units the easiest to install or service of any electric built-in fireplace available.

The ClassicFlame Builders Box Built-In Electric Fireplaces are designed to be professionally installed and hard-wired into a buildings electrical system.

Shown with functioning glass doors can be purchased separately

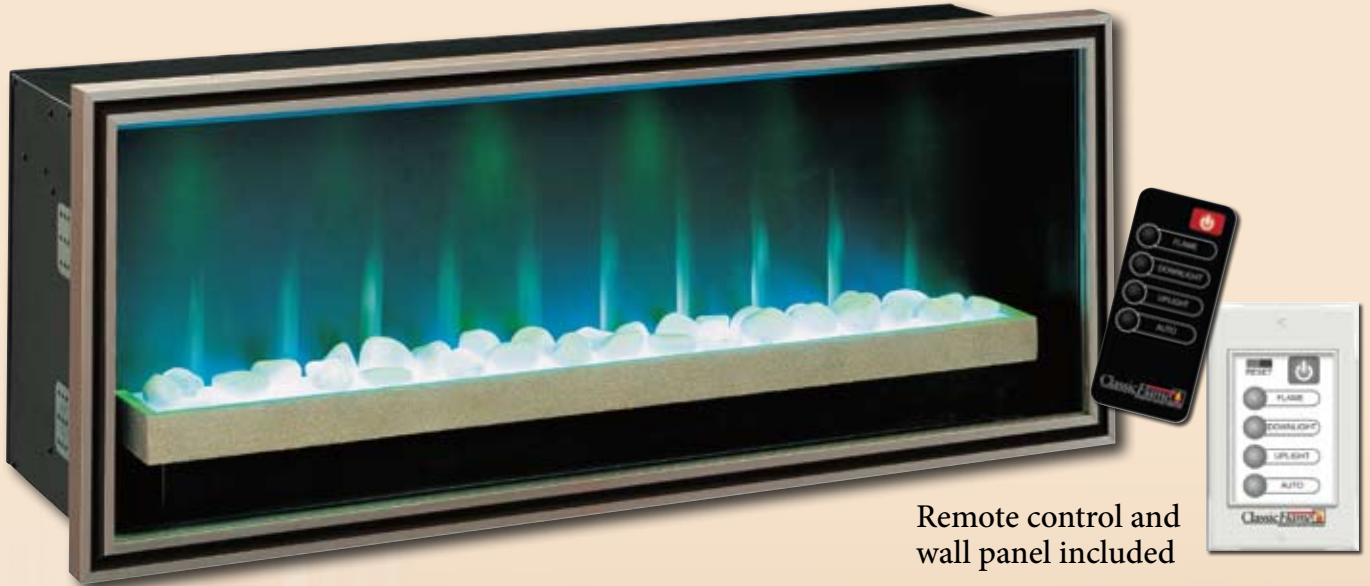

*A fireplace can increase  
the value of a home by \$4,400*

# Zen Builders Box™

## ART FOR THE 21ST CENTURY

Remote control and  
wall panel included

Take a room from dull to daring with ClassicFlame's Zen Builders Box™, the new 52 inch Built-In Electric Insert.

This gorgeous fireplace is luxurious and modern and can set the mood for any occasion.

With multi-colored LED flame different color combinations, or to slowly rotate through them all, the light affect is vibrant, unique, and energy efficient.

Realistic flames flow out from a bed of simulated smooth white and clear river stones.

The frame has various inserts to further customize the Zen Builders Box™.
