Twin-Star International Donates to the Ronald McDonald House Charities of South Florida

Delray Beach, Fla., March 13, 2013 – Twin-Star International, a leading manufacturer of electric fireplaces and other functional furniture for the home, has donated an electric fireplace to Ronald McDonald House Charities of South Florida.

For the donation, Twin-Star International donated a Pasadena electric fireplace media mantel to their Ft. Lauderdale House. “We can’t express our appreciation for your support,” said Soraya Rivera-Moya, Executive Director for Ronald McDonald House Charities of South Florida. “We can’t wait to have it installed to make our home more beautiful from your kind donation.”

About The Ronald McDonald House Charities of South Florida

Since 1981, Ronald McDonald House Charities (RMHC) of South Florida has been dedicated to helping local children live happier, healthier and more productive lives by supporting health care and medical research programs, education and the arts, and civic and social programs. Its cornerstone program, the Ronald McDonald House®, provides a “home away from home” for families with ill children receiving treatment at nearby pediatric medical facilities in Miami-Dade and Broward Counties. RMHC of South Florida also awards grants to local not-for-profit organizations serving children through a portion of donations from McDonald’s customers and Global Ronald McDonald House Charities matching grants.
