Twin-Star's Classic Flame

THE ALEXANDER ELECTRIC FIREPLACE AND MEDIA CONSOLE features a mid-night cherry finish and clean architectural lines for a modern look. The 70-inch media console is designed to fit even the widest flatscreens. An open center shelf features 30 inches of storage space for DVD players. Both side cabinets feature two adjustable shelves for storage and are wide enough for media components and game consoles. Polished nickel door pulls add to the contemporary design. twinstarhome.com

Kinfine USA

THE CLOLET FAMILY TV CONSOLE is 47 inches long, featuring an ash wood veneer. A deep chocolate cherry finish commands attention. The unit includes two side cabinets and component storage. 909-596-2863
