Twin-Star International hosted their 2<sup>nd</sup> Annual “Party like a Rock-Star with Twin-Star” event at Body English in the Hard Rock Hotel & Casino. This year’s event didn’t disappoint as Twin-Star added some fun new surprises, and guests not only partied *like* Rock-Stars but *with* Rock-Stars too.

Guests walked the red carpet and were treated like rock royalty as the paparazzi clamored for their pictures upon arrival. Once inside, it was star treatment all the way with an open bar, passed hors d’oeuvres, gourmet salad selections and a fully loaded fajita station.

Entertainment for the night included “appearances” by Britney Spears, Ozzy Osborne, and Madonna, a live DJ, a packed dance floor, and a special Nintendo Wii VIP room where guests jammed out playing “Rock Band” and showed their skills at bowling and tennis.

A true Rock-Star party wouldn’t be complete without goodies, and this event was no exception. Gift bag swag included a \$20 Hard Rock Gift Certificate and Rehab energy drink sponsored by Hard Rock, a chic t-shirt, chocolate chip cookies, and an invitation to Twin-Star’s champagne and hors d’oeuvres event in their showroom the following day.
